

It's a gray morning in 1430. You are standing on a dock in the Portugal, staring out at the mysterious Atlantic Ocean. You have been asked to go on a voyage of exploration. Yet, like most people at the time you have no idea of what lies beyond the horizon. The maps that have been drawn show some of the dangers you might face. And you've heard the terrifying stories of sea monsters and shipwrecks. You also have heard that riches await those who help explore and claim new lands. Despite the risk you decide to go.

You are the captain of the _____.

List the things that you would need on your long journey.

What qualities are you looking for in a crew member?

What kind of supplies are you planning on bringing?

What "new" (of that time period) technology would you want to bring with you? Page 373 in the RED/Black Textbook. Blue 365
